

Venue Information

The Talya Congress and Conference Centre is the perfect venue with its state of the art technology and unique setting for the meeting, demonstrations and international congresses.

The conference hotel, Divan Talya is a 5-star hotel in the heart of Antalya, situated on the Mediterranean coast, with its own private beach. It is built atop the cliffs overlooking Antalya Bay, with views of Bey Mountains. The congress centre is connected to the hotel through a glass walkway.

Meeting Rooms

ROOF	PLATIN	TERAS	FUAYE
GROUND FLOOR	GOLDEN	SILVER	TOMBAK

Platin Hall

The Platin Hall, accommodating 750 persons in classroom line-up, will host the plenary speeches. Otherwise it will be split into two sections, called Platin I and Platin II, for regular oral sessions.

Teras

This is the terrace of the convention center overlooking the cliffs and the Mediterranean sea. The terrace will be available for lunches, cocktail and relaxed sitting.

Fuaye

Fuaye is the spacious entrance of the Convention Center. Exhibitors, conference registration desk and coffee service will be found in Fuaye area.

Altin Hall

The Altin (Golden) Hall is located one floor below the entrance floor of the Convention Center. It will be split into two, called Altin I and Altin II, each having a classroom line-up capacity of 80 people.

Gumus Hall

The Gumus (Silver) Hall, also located one floor below the entrance has classroom line-up capacity of 120 people.

Tombak Hall

The relatively smaller hall has 60 people capacity in classroom line-up.

Ballroom

The Ballroom is located on the ground floor of the Talya Hotel will be reached directly through the glass walkway or via the hotel main entrance. All poster sessions will be held in the Ballroom. The Internet cafe will also be installed there.
